

What went well?

What should we keep doing?
What should we celebrate?
Where did we make progress?

Unlocking insights
into the global air
transportation network
with tableau

What went poorly?

Where did we have problems?
What was frustrating to us or others?
What held us back?

Mural is are
important for
a number of
reasons

For painting
use

They
preserves
history and
culture

Thinking
help is
adopt a
customer

Centric
approach by
ensuring the
we're focused
on the program

It alligance the team
on what needs to
be consider during
the rest of the
design thinking
process

Important as
they bring
art into the
public

Due to
size,cost,and
work involved
in mural

The mural
artist must
conceive
pictorially a
social

Meomeralize
or record
historical
event

Religious or
pantorotic
theme on the
appropriate
scale

In the
reference
both to the
struoctural

What ideas do you have?

What ideas do you have for future work together?
Where do you see opportunities to improve?
What has untapped potential?

How should we take action?

What do you believe we should do next?
What specific things should we change?
What should extend beyond this meeting?
